WELCOME TO UCL

We are delighted to welcome you to UCL and London! London is a wonderful, vibrant city, and we hope you are able to explore it during your time here. UCL is within walking distance or a short tube journey away from many must-see tourist spots, including the British Museum (10 minute walk), the Natural History Museum (25 minute tube), the London Eye (20 minute tube), and London's West End (20 minute walk).

For the conference, we are delighted to welcome our plenary speakers Khandis Blake, Tim Clutton-Brock, Adam Rutherford, Brooke Scelza, and Mark Thomas. We are also excited to have as our sixth plenary speaker the 2023 New Investigator Award winner, Sheina Lew-Levy. In addition, we also have a fantastic 100 talks, 44 speed talks, and 43 posters spanning a huge range of topics.

We hope you enjoy the conference and your stay in London!

GETTING AROUND UCL

Key locations:

- **Lecture Theatre 1:** Cross the road from the Wilkins Building. Enter the Cruciform building, go straight ahead to the main staircase and walk down to the basement. Turn right at the bottom of the stairs. Go through the left door at the end of the corridor. The room is the third door on the left.
- **Lecture Theatre 2:** Cross the road from the Wilkins Building. Enter the Cruciform building, go straight ahead to the main staircase and wadown to the basement. Turn right at the bottom of the stairs. Take the right door at the end of the corridor. The room is the second door on the right down the corridor.
- **The Jeremy Bentham Room:** Enter the North Cloisters and turn right and walk to the Octagon, and turn left. The JBR is located through the Octagon up a set of stairs.
- **The Haldane Room:** Located in the North Cloisters.

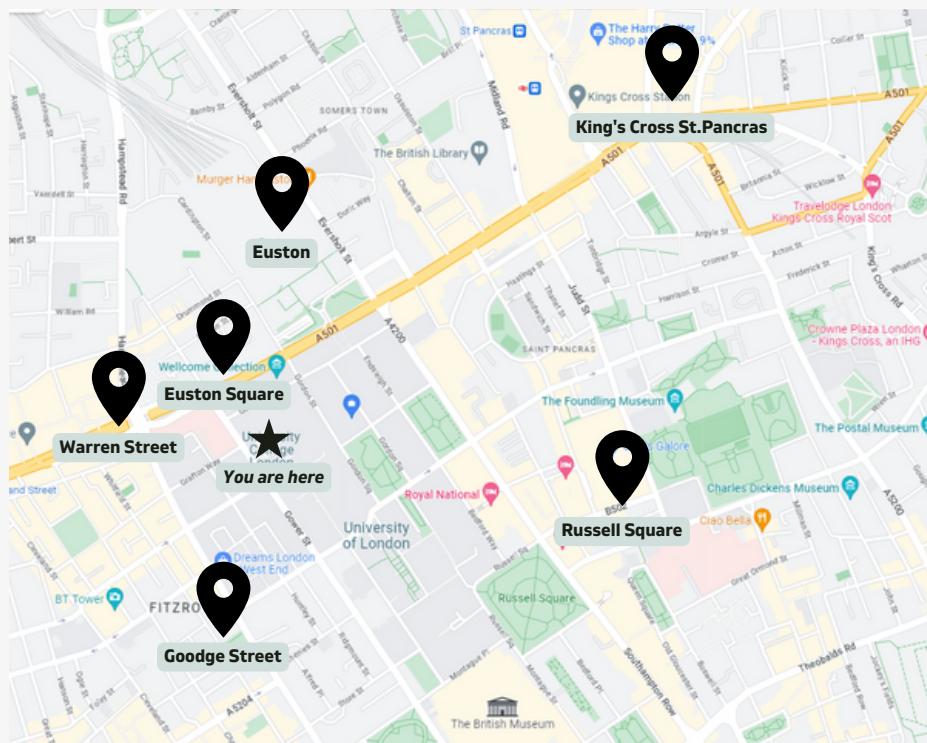

The Cruciform Building, located across the road from the Wilkins Building.

The North Cloisters, located through a door to the left of the Wilkins Building.

GETTING AROUND LONDON

London is well-served by transport links, both for travelling to and from London from the UK, Europe and the wider world, and for getting around the city.

The closest tube stations to UCL are Euston Square (Hammersmith & City, Metropolitan, and Circle Lines), Warren Street (Northern and Victoria Lines), Euston (Northern and Victoria Lines), Kings Cross St. Pancras (Circle, Piccadilly, Hammersmith & City, Northern, Metropolitan, and Victoria Lines), Gower Street Station (Northern Line) and Russell Square (Piccadilly Line).

EHBEA ETHOS

EHBEA is dedicated to ensuring that all individuals have a conference experience free from any form of harassment, regardless of their gender, gender identity and expression, age, sexual orientation, disability, physical appearance, ethnicity, religion, status, or technology preferences. We promote lively and engaging discussions and discussions, in a setting that is inclusive and welcoming during all conference-related sessions and social events. Should you encounter any issues with this, please do not hesitate to reach out to a member of the organising committee.

EXTRA INFORMATION

Family room

For those of you joining us with a baby/child, B.3.01 in the Cruciform Building (next to LT1) is available to use between 8.30am and 7.00pm on the 19th, 20th, and 21st April. Please contact emily.emmott@ucl.ac.uk if you would like a certain session streamed into the room.

Quiet space

There is a quiet contemplation room located on the side of the MRC Laboratory for Molecular Cell Biology, behind the Gordon Square houses that is suitable for prayer. Ask one of the conference volunteers to walk you there, as a UCL ID card may be required to open the door.
