EHBEA Recommends

There are several world-class museums very close to the London School of Hygiene and Tropical Medicine. We strongly recommend the following:

The British Museum

Great Russell St, WC1B 3DG

Come here to see the artefacts we've "collected" from across the world. Don't miss the Rosetta Stone.

Wellcome Collection

183 Euston Road, NW1 2BE

Great medicine-related collection. Everything from Napoleon's toothbrush to Florence Nightingale's moccasins. Also has a great gift shop and café.

Grant Museum of Zoology

21 University Street, WC1E 6DE

Huge collection of animal skeletons and curiosities.

Hunterian Museum

35-43 Lincoln's Inn Fields

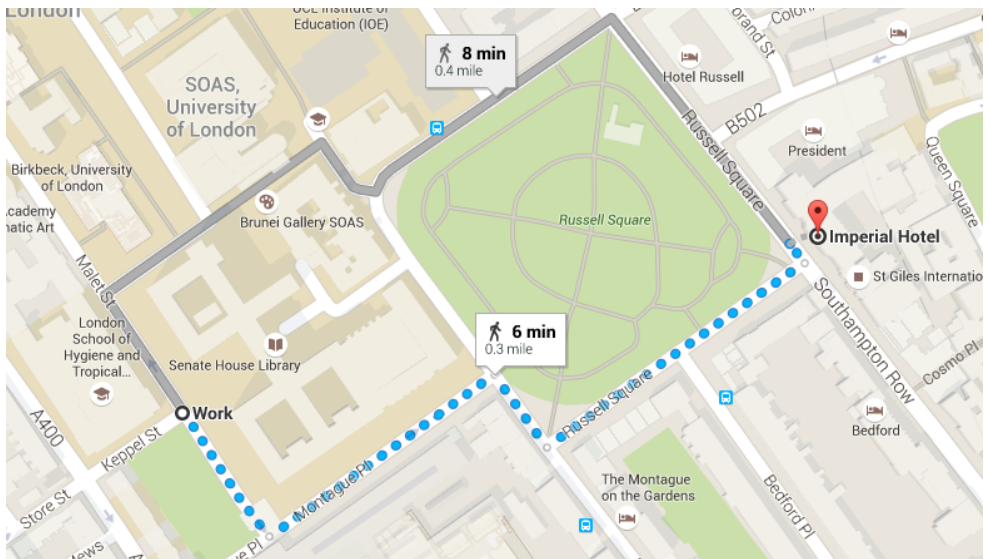

Learn about the grisly history of modern surgery and view many preserved specimens.

Conference Dinner (Friday)

The conference dinner will be hosted in the Elizabethan Suite of the **Imperial Hotel** at 7 pm on Friday the 8th of April. This is a ticketed event.

Imperial Hotel
61-66 Russell Square
London
WC1B 5BB
+44(0)20 7837 3655

5 minutes walk from the conference venue. Wine will be served with dinner and there will be a cash bar available. We have use of the venue until 1am.
